# HSBCnet
# Trade Transaction Tracker

HSBCnet Mobile App with Trade Transaction Tracker – the quickest and easiest way to access your trade transactions…anytime, anywhere.

**At HSBC, we are continuing to provide innovative tools to help make your life simpler 24/7.**

And now, the HSBCnet Mobile App includes the new Trade Transaction Tracker. The HSBCnet Trade Transaction Tracker gives you a global view of your documentary credits, collections and guarantees across markets and countries worldwide in one single app.

**Available for Apple iPhone and Android devices, with the HSBCnet Mobile App with Trade Transaction Tracker you can:**

- Get an overview of your Trade and Guarantee transactions
- View real-time status of export and import documentary credits, collection, trade loan and guarantee transactions
- Intelligent transaction search
- Real-time courier tracking of export documents
- Visibility across markets and countries, allowing for better supply chain management
- Save time on the phone, faxes or email with access to your detailed trade account information

When you need to see all your transactions at once, the HSBCnet Mobile App with Trade Transaction Tracker gives you a quick overview.

If you are not yet a HSBC Instant@dvice customer, please contact your local HSBC Relationship Manager.

**What you will need:**

- An Apple iPhone or Android device
- The latest version of the HSBCnet Mobile App downloaded from the Apple App Store or Google Play™
- HSBC Trade Account Number
- HSBC Instant@dvice email address
- Recent transaction reference number linked to the above account

You only need to be registered for Instant@dvice to access the HSBC Trade Transaction Tracker, HSBCnet registration is not required.

## Easy 3 step set-up:

**1**
Open the app

**2**
Enter in your HSBC Trade Account number, Instant@dvice email address and bill or DC or guarantee reference number

**3**
Enter in the confirmation code provided to your email address

HSBC
